Art and Artist Information

About the Art:

Name of piece: *Catching Waves*

Medium used: *Photography (iPhone)*

When it was completed: *April 30, 2017*

How does this capture the essence of our collective home: South Rosebank?

This photo was taken on a chili, windy day in April along Beachpoint Promenade. It captures how the quiet residents of SoRo come alive when nature calls and the surf is up (no matter how cold).

About the Artist:

Full name: *Amanda Jane Smith*

Pre-teen Teen Adult

How did you develop your artistic talents?

I don't know if it was that I consciously developed a talent so much as I took a bunch of photos over the course of 20 years of walks, and eventually some of those shots turned out ok 😊
